2022 FALL TREE SALE

OTHER INFORMATION:

- Please check your order within the day of pickup and if you have a discrepancy please contact us within the next three days from pickup. Call us at 810-664-0895 ext. 5 and leave a message with your name, phone number and the discrepancy.
- Our transplants come as bare-root stock. This means that they are very perishable. Care should be taken to make sure the roots do not dry out before and during planting.
- Lapeer Conservation District cannot guarantee planting stock survival. Our liability ends when trees are picked up.
- Orders not picked up will be held for 3 business days unless we hear from you and other arrangements have been made. NO REFUNDS on abandoned orders.
- No mixing species for price breaks.
- Sizes (height) listed are provided by our nurseries. Actual sizes may vary based on nursery grading and growth.
- All programs and services of the Conservation District are offered on a nondiscriminatory basis without regard to race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation and marital status.
- According to Public Act 189 of 1931, trees purchased from Conservation Districts may not be sold with roots attached. Trees may be cut and sold for Christmas trees.
