OTHER INFORMATION:

- Please check your order within the day of pickup and if you have a discrepancy, please contact us within the next three days from pickup. Call us at 810-664-0895 ext. 5 and leave a message with your name, phone number and the discrepancy.
- Our transplants come as bare-rootstock. This means that they are very perishable. Care should be taken to make sure the roots do not dry out before and during planting.
- Lapeer Conservation District cannot guarantee planting stock survival. Our liability ends when trees are picked up.
- Orders not picked up will be held for 3 business days unless we hear from you and other arrangements have been made. NO REFUNDS on abandoned orders.
- No mixing species for price breaks.
- Sizes (height) listed are provided by our nurseries. Actual sizes may vary based on nursery grading and growth.
- All programs and services of the Conservation District are offered on an on discriminatory basis without regard to race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation and marital status.
- According to Public Act 189 of 1931, trees purchased from Conservation Districts may not be sold with roots attached. Trees maybe cut and sold for Christmas trees.
